WOMEN OF THE FCA

MARCH 2002

Carol Case
Gainesville, Georgia

In March of 1963, Carol Case's father accompanied her to the Deel Ford Dealership in Coral Gables, Florida to buy her first car. Carol says, "When we walked onto the car lot, there was the most beautiful car I had ever seen, a brand new Ford Falcon Futura convertible, white with turquoise interior. It came with an AM radio and the top went up and down automatically."

She didn't need any extras, she was 20 years old and had just graduated from Delta Air Lines Stewardess School. She had no credit and Dad had to co-sign. Carol took on the "huge commitment" of \$75.70 a month including taxes and insurance. "Dad told me I better keep my job for at least three years to pay it off." That was 39 years ago this month and she not only paid off the car, she remained a flight attendant for 38 years.

In 1993 a total restoration was completed and afterwards, it looked like the car Carol first saw in 1963. She takes it to cruise-ins and car shows and has fun telling everyone that she is the one and original owner. "Lots of people wish they had kept their first cars, I'm glad I did. My wish is that this car stay in my family for generations to come and that someday my grandchildren will drive it and tell folks that this was their grandmother's first car."

President's Message

This issue is dedicated to the Women of the FCA. We all know how enriched our Club is by our female enthusiasts, wives, girlfriends, sisters and supporters, families of Falcon lovers. Hats off — and Thanks! We salute you this month and always!

The FCA has approved 2 new chapters in the past months. It is always exciting to feel the enthusiasm of the chapters. Both of these new chapters, like many existing chapters, will host Regional or National Meets. People join one of our 45 chapters to develop a network of Falcon Lovers. They enjoy sharing stories, exchanging parts and ideas, building friendships and showing off their Falcons. Joining a local chapter brings the benefits of the FCA to a local level. Remember you can join as many chapters as you like. But you must join the FCA first.

The thing that keeps chapters alive and growing is ACTIVITY. You play a critical part with your participation in chapter events.

The best way to do this is to get together, monthly seems to work best. This can be done almost anywhere; local restaurants, cruises, car shows, a member's home, a park. Plan two months ahead to allow members to clear their calendars. Some chapters have set a day each month to make it easier to plan. At your next chapter meeting, plan some upcoming events. Pick one activity a month in your area that most members can attend; tech meetings, picnics, or meet at a local cruise. These events are a good way to enjoy your Falcons and friends. Use the Falcon News and your chapter newsletter to publicize your meetings. When you pass out "Did You Know There Is A Falcon Club?" cards, write down the time and location of your meetings on the back.

Use the Falcon News to talk about what your chapter is doing. It only takes a short time to send a note to Wendy, your FCA Editor, to let the other 3500+ Falcon lovers know about the great things your chapter is doing. Put out a monthly newsletter and send a copy to your Regional Director and National Editor. A one pager with officers' names and phone numbers, classified ads, and a calendar of events for your area will do. It only cost 34 cents per month to keep a member in touch.

Some chapters have designed their own logo, which must be approved by the FCA. This is a good way to show off your chapter colors by having patches made for hats or jackets.

Please contact your Regional Director with any questions or suggestions. If you are interested in forming a chapter please contact Jan Brown, Chapter Coordinator.

Have you made your plans for the Nationals yet? How many members of your chapter are headed for Nashville this summer? Joining one of the caravans or the Falcon Migration?

Nashville here we come. Register NOW!

Steve & Carol

P.S. "DID YOU KNOW THERE WAS A FALCON CLUB" cards - Don't leave home without them.

WOMEN OF THE FCA — FALCON FAMILY FOTOS

JoAnn Reece, Belton, Missouri

Clarence Reece writes, "JoAnn and I had a lot of fun in her 1963 Falcon Futura convertible before we were married in November 1963. When the children started arriving, we traded the old bird for a nice practical 4 door family sedan.

She never forgave me! After our 25th anniversary (when I decided the marriage would last) I learned that the 1960's era Falcons were classics and began looking around. The Internet made the search easier and we found this one in Kansas City."

Clarence surprised her with it on Christmas Eve 1999 and she and the grandkids went out riding around in 18 degree weather with the top down. It's a daily driver, never been restored, just well cared for.

Eiji Takahashi Tokyo, Japan

Eiji E/J Takahashi, 36, of Tokyo is FCA Member #08804. He sent this photo of his wife and family. His wife is a "dynamic mama" named Satomi, she is 37. His son, Junichi is a "bashful boy" at 11 years old. His daughter, Kanna" is a "little Geisha girl." She is 7.

The "Flying Falcon" is a 1963 Sprint hardtop, "only my first car." Erij writes "I love my family and I love my Falcon."

Bonnie Stringer Waveland, Mississippi. 1960 2 door Falcon sedan

Bonnie's Falcon parked outside Amelia's, her favorite restaurant.

Bonnie is FCA treasurer and runs the Club Store with Mary Biehl. She deserves a night out once in a while!

Chapter News

In the spirit of Christmas, the Blue Ridge Chapter of the Falcon Club of America continued its tradition of community service. This year the Christmas project adopted by the club was a donation to the Greer, South Carolina Meals on Wheels. This organization provides hot meals to the home bound and others who would not otherwise have a hearty meal.

The Blue Ridge Chapter has established a tradition of helping those less fortunate at Christmas time. Past projects have been to adopt nursing home residents who do not have family and providing them with gifts from Santa. Last year the club also threw a Christmas party for all the residents of the Carriage House of Taylors, South Carolina. This year's project kept the focus on helping the needy and according to a spokesperson for the Greer Meals on Wheels, the \$450.00 donation will allow them to give each meal recipient a fruit basket for the holidays.

The Blue Ridge Chapter wishes to extend a heartfelt thanks to all those who sponsored and donated to this most worthy cause.

FALCON FAMILY FOTOS

Anastacia and Jon Zittel

Andre and Lisa Auger of Douglas, Massachusetts write, "This is our daughter and her husband on their wedding day in September of 2000. Anastacia did not want a 'traditional' wedding and was not interested in hiring a limo. All she wanted was her daddy to drive her to the church in our 1964 Ford Falcon. Dad said he would only if it was a perfect day, weather-wise; no threat of rain. Luckily it was a perfect day, because we had no "Plan B." My husband drove her and her maid of honor to the church. The top was down and everybody was beeping and waving. She felt like a princess, like a bride should on her wedding day."

Jan Brown

Jan Brown of Ft. Lupton, Colorado has served on the FCA Board of Directors and been active in the Mile Hi Chapter for over 10 years. Here she is shown by the Bill Elliott Race Car at the 1987 Nationals in Boulder, Colorado.

WOMEN OF THE FCA — King Family Affair

For Linda and Nick King of the Central California Falcon Club, Falcons are truly a family affair. Linda is the owner of a 1963½ Futura hardtop, known as "Little Red." She sports her original interior, an awesome set of glass pak dual exhausts and mesh screens covering the back windows, installed by the original owner. This is the car featured in daughter, Andri's wedding festivities, above. Daughter Bethni (right) and husband Darrin are the proud owners of a 1965 Ranchero with a V8 3 speed. They are FCA members from the St. Paul, Minnesota area. Nick has a rare 1963½ Ranchero with factory 260 V8 and 4-speed transmission. After removing 8 layers of paint, the Ranchero is restored to original. There are also 2 station wagons in the group, a 1960 2 door that may have to be junked due to rust and a 1965 Futura V8 wagon that will have a new home soon. Look for these Falcons and more at the Pacific Regional Meet in April!
